

## Gas Pipeline Testing

Prior to service, gas pipelines must be tested.

Natural and L.P.G. gas pipeline testing requirements vary significantly from agency to agency.

Pipeline Testing Requirements must be obtained from your local regulatory agency of jurisdiction:

Gas Company

City

County

State

<i>San Francisco</i>	<i>511 Tunnel Avenue, Brisbane, California 94005</i>	<i>415-467-4630</i>	<i>FAX 415-467-1010</i>
<i>Los Angeles</i>	<i>2376 First Street, La Verne, California 91750</i>	<i>909-596-6887</i>	<i>FAX 909-596-7884</i>
<i>Bakersfield</i>	<i>5221 Gilmore Avenue, Bakersfield, California 93308</i>	<i>661-326-7800</i>	<i>FAX 661-326-7805</i>
<i>Reno</i>	<i>675-B Edison Way, Reno, Nevada 89502</i>	<i>775-856-1888</i>	<i>FAX 775-856-1844</i>
